FOREWORD

We have selected from our breeding herds 6 bulls, and 39 females for this sale. You will find these cattle of medium type, as good as their pedigrees. You will see when you look through the catalog that the foundation cows were purchased from the leading herds of this country and nothing but the best bulls were used.

You also will find that these cattle will give a good account of themselves when raised under the average farm conditions. These females are all calfhood vaccinated as this has been our practice for many years.

The Iroquois Shorthorn Breeders' Assn., will sell 15 head, 2 bulls and 13 females from the outstanding herds of Eastern Illinois and Western Indiana.

To assist our buyers, these cattle can be left at the farm until trucks can be arranged for.

GENERAL INFORMATION

Guarantee—All cattle sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's disease and tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over twelve months old at the time of the sale are guaranteed to be breeders. Animals returned to seller, because they do not comply with guarantee will be at buyer's cost of transportation.

Terms—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchased. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

The above guarantee and terms shall constitute a contract between consignor and buyer on each lot. Neither the sale manager, clerk of the sale, nor the Association assumes any liability legal or otherwise.

Registration—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors, or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease and health charts to comply with the regulations of any state will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

● **PANEL BOLD MARSHALL** is a rugged, good-headed grandson of the sensational Gallant Marshall. His sire was purchased for \$5100, at Perth and used successfully in the Moy herd before being sold for a high figure for export. His dam was second prize winner at Perth 1956 and is a stylish, short-legged cow. Calrossie Indomitable was one of Calrossie Highland Pride's best sons—sold to South Africa for a record 5000 pounds. This calf has done very well and I think he is one of the better imported bulls selling this season. (You will like him much better than his picture as he photographed very poorly.)

Willow Lee Wonder 23d. One of the first prize pair of bulls at the 1954 International. 20 head in sale are sired by him.
